INDEX TO VOLUME II FOR 1940

Readers in search of a particular subject will find it useful to bear in mind that the references are in several cases distributed under two or more separate headings—for example, Brain and Cerebral; Heart and Cardiac; Liver and Hepatic; Renal and Kidney; Cancer and Carcinoma; Child and Infant; Goitre and Thyroid. Subjects dealt with under various main headings in the Journal have been set out in alphabetical order under their respective headings—for example, "Annotations," "Correspondence," "Leading Articles," "Obituary," "Reviews," etc. Original Articles are indicated by the letter (O).

A

Abbott, Maude E., obituary notice of, 576
—— Mrs. W. C., gifts for research, 654
Abortion: Doctor convicted of, 33—Threatened (leading article), 195
Abrahams, Margery: *Nursery School Diet*, 227—(And E. M. Widdowson): *Modern Dietary Treatment*, 2nd ed., 492
Abscess, perinephric, staphylococcal septicaemia simulating (I. Rose), 831; correspondence on, 916
Academy, French, of Medicine: President, 690
—— Royal, of Medicine in Ireland: Spontaneous haemopneumothorax, 643—Uraemia and accidental haemorrhage, 757—Rubin's test, 758—Fungus infection of face, 844—Cancer of cervix and pregnancy, 845
Accident proneness and liability, 255
Accidents, industrial, 5—Rehabilitation after, 361—Prevention of, 728
Acetanilide poisoning, chronic (T. N. Morgan and A. G. Anderson), 187 (O)
Ackland, Charles Kingsley, obituary notice of, 814
Aclasia, diaphysial, with spinal complication (H. K. Christie and B. T. Hooper), 224
Acomb, Leonard Ernest, obituary notice of, 509
Acriflavine in throat and nose work, 489
Actinomyces, annotation on, 90
Actinomycosis, origin of, 751
—— abdominal, sulphapyridine for (W. H. Ogilvie), 254 (O)
Adair, Fred L. (and E. L. Potter): *Foetal and Neonatal Death*, 419
Adam, James, obituary notice of, 688, 767
Adams, A. Wilfrid: Cut fingers in factory workers, 614, 765
Adamson, R. O.: Nature of disease, 398
Addison, V. H.: Tetanus antitoxin for civil casualties, 847
Adenitis, acute, treated with sulphapyridine, 404
Adrenaline: Injection for allergy, 274—Electrophoresis of, in asthma, 293, 337, 684, 807, 882
Adrenals, necrosis of, and pantothenic acid, 601
Advertisement by comparison, 33

Africa:
Ambulance unit organized, 512
Capetown: Annual report of M.O.H., 569—New tuberculosis clinic in, 654
Hospital ships, 888
Kumasi Public Health Board loan, 211
Malnutrition, prevention of, 476
Medical Register for S. Africa, 305
Mobile field laboratory of S.A.M.C. (W. Lewin), 712
Public health in S. Africa, 130
Rand Mines: Health report, 130
Service appointments, 581, 601
Sierra Leone: Annual report of medical services, 841
Woman M.O.H. appointed, 512
Zanzibar: Health report, 877

Agranulocytosis: In children, 482—Constitutional factors in, 566—With angina after sulphonamide (H. C. Semon), 668
Air Force. *See* Services

Air-raid Precautions:
Ambulances: back rests, 299
Arithmetic of, 911
Black-out, ventilation in, 334
Blinded in raids, help for, 469
Brave conduct: mention, 888
Casualties: Treatment of, 35, 70, 147, 204, 236, 394, 719, 880—Hand seats for, 168, 244—Reception of (H. A. Brittain and K. A. Latter), 284—Clearance of, from aid posts (W. McA. Eccles and T. Densham), 332—Proportion of fatal to total, 363—No. of, 403, 510—Problem of shock in, 432, 534—Dealing with, at incident (N. M. Valiely), 498; correspondence on, 610—Rehabilitation of, 580—Morphine and, 720, 772, 924—Compensation, 921
Casualty services: period of testing, 716
Committee, Lord Horder's, 392, 689, 709, 747, 768
Concussion: anti-concussion bandeau, 106
Coventry raid, Red Cross and, 771
Deaf aids, 365, 404
Deputation concerning, 342
Doctors: Duties of, 35—Losses of surgery and equipment, 852
Ear protection, 106, 212, 403, 436, 452, 512
Evacuation: Hospitality for doctors' children over-seas, 21, 61, 272, 306, 687—Advisory council for overseas reception, 36—Doctors in coastal areas, 70—Of child contacts of tuberculosis, 99, 169—Hotel meals for evacuees, 244—Books on, 264—Treatment of unaccompanied children in Scotland, 272—Diphtheria immunization of evacuated children, 299—Gift for relief of children, 370—Pediculosis among children, 494—Sanitation and, 512—Evacuee's sore throat, 531, 571, 610, 645—From bombed areas, 543—Hospital, 580—Of aged and infirm, 689—Of children from London, 921
First aid, broadcast talks on, 771
First-aid post: Collective training at, 163—Sites for mobile, 370—Country doctors for, 395—Doctors at, 580
Foreign bodies in mouth during raids, 432
Gas curtains for public shelters, 139
—— mask for asthmatics, 142, 178
Glass, protection of, 260, 678
Homeless: Helping the, 430—Arrangements for, 436
Hospitals: In coastal areas, 36—Work of, Mr. MacDonald's tribute, 466—Precautions during raids (R. P. Osborne), 565
Injuries, papers on, 366
London's air raids, 643
Mobile unit: In action, 507, 571, 682—At Coventry, 847
Morphine in, 720, 772
Mothers, expectant, care of, 70, 690
Nurses, public health: announcement, 122
Problems, 759
Radio for finding bomb fragments, 611
Relief for personnel, 395, 512
Rescue work after raids, 506
Rest centres: Health in, 569—First aid for, 580
Shelters: Births in, 104—Heating of, 370, 887—Criticism, 432, 678—Hygiene of, 457—Problem of, 495, 537, 609, 644, 720, 747, 796, 801, 803, 841, 847, 917—And public health, 510, 542—Tonsillitis, 531, 571, 610, 645—Health in, 569, 580, 709, 796—Spread of disease in, 570, 644, 720—Infection in, 598, 759—Safety, 608, 645—Sick bays in, 617—Overcrowding in, 617—Children in, 685—Lord Horder's Committee on, 392, 689, 709, 747, 768, 922—Antiseptic pastilles, 690—Dictator, 790, 880—Lice in, 803—Health commissioner for London, 814, 815—Departmental responsibility for, 815—Medical aid posts in, 816—Medical attendance at, 851—Unification of control, 873—Medical supplies in, 887—Conditions, 921
Sleep, loss of, in raids, 396
Steel helmets and respirators for midwives, 370
Stomach during warnings, 337
Tuberculous and, 502, 644

Airey, F. S.: Hairy legs in girl, 344
Airway, anaesthetic, 907
Alabaster, George H.: Our unused influence, 507
Alastrim, variola, and vaccinia, cross-immunity between (leading article), 228
Alcohol, social aspects of (leading article), 18
Alcoholism and cirrhosis of liver, 656, 854
Alexander, R. Charles: Head injuries in war, 65
Aliens: Medical certificates for, 100, 170—Interned doctors, 242, 851—Medical care of interned, 580—Alien doctors in Great Britain, 613, 687—Employment of alien doctors and nurses in hospitals, 653—Registration of alien doctors, 852
Allen, Clifford: *Sexual Perversions and Abnormalities*, 15
—— F. R. W. K.: Perforated typhoid ulcer, 357
—— T. S.: Evacuee's sore throat and shelter tonsillitis, 610
Allergy: Adrenaline injection for, 274—Biochemistry of (leading article), 634
Almoners: In women's V.D. clinics, 161—Northcote Trust, 176
Alopon and scopolamine solution, 87
Alston, J. M.: Agglutination tests for leptospiral infection, 256 (O); correspondence on, 338
Alvarez, Walter C.: *Introduction to Gastro-enterology*, 905
Ambulance: Back rests, 299, 610—L.C.C. service: telephone calls, 618
Aminophylline, 56
Amnioplastin: warning (W. Penfield), 668 (O)
Ampulla of Vater, 91
Anaemia: Review of book on, 86—Transfusion of concentrated suspensions of red cells in (D. H. G. MacQuaide and P. L. Mollison), 555 (O)
—— leuco-erythroblastic, jaundice in (J. M. Holmes and A. J. McCall), 698 (O)
Anaerobic bacteria, review of book on, 259
Anaesthesia: Post-operative complications, 82—In wartime, 336—Unequal pupils during, 344—In chest surgery, 390—Carbon dioxide absorption technique, 432—Muscular spasm during, 655
—— gas-and-oxygen, cyanosis and anoxaemia in, 31; correction, 68
—— local, in general surgery (H. Dodd), 345 (O); correspondence on, 428, 573
Anaesthetic airway, 907
Anaesthetists, dental surgeons as, at Brighton, 887
Analgesia, general, 809, 884
Anaphylaxis after tetanus toxoid (A. A. Cunningham), 522 (O); correspondence on, 683
Anastomosis tubes for resection of colon, 66
Anatomy, review of books on, 156, 386, 419, 452, 557, 631, 907
Anderson, A. Greig (and T. N. Morgan): Chronic acetanilide poisoning, 187 (O)
—— Lieut.-Col. Alexander, obituary notice of, 240
—— Arthur K.: *Essentials of Physiological Chemistry*, 2nd ed., 359
—— A. S.: Filter tips as ear plugs, 478
—— C. W.: Immunized persons as diphtheria carriers, 760
—— Ian A. (and L. S. P. Davidson): *Textbook of Dietetics*, 491
—— J. Barcroft: Freshly ground whole-wheat bread, 72
—— R. G.: Non-penetrating injuries of heart, 307 (O)
—— Robert: Intussusception, 473
—— Thomas: Treatment of pneumonia, 761
Andrews, M. C.: Acute appendicitis in baby, 72
Androgens and cancer, 20
Angina, atypical pain in, 91
—— pectoris: Sympathectomy for, 125—Nerve endings in heart, 126
Angioma of kidney, retroperitoneal haemorrhage from (C. W. R. Price), 831
Animal biology, review of books on, 258, 744

Annotations:
Actinomyces, 90
Actinomycosis, origin of, 751
Air-raid precautions: Hygiene of shelters, 457—Problem of shelters, 495—Arithmetic of, 911
Almoners in women's V.D. clinics, 161
American hospital in England, 59
Ampulla of Vater, 91
Androgens and cancer, 20
Angina, atypical pain in, 91
—— pectoris, sympathectomy for, 125
Appendicitis cause of, 162
Arthritis, rheumatoid: Scleral abscesses in, 61—Vitamins in, 876
Artificial respiration, 910
Asthma, electrophoresis of adrenaline in, 293
Ataxia, hereditary, and spastic paraplegia, 160
Bacteriophage for staphylococcal septicaemia, 676
Benzedrine, ephedrine, and paredrine, 391
Betts visual tests, 599
Blind, war, work for, 497
Blood phosphorus and juvenile rheumatism, 792
—— stored, reactions after transfusions with, 19
Bombs over London, 392
Bread, vitaminized, 125
Budgets, expanding, 124
Bulletin of War Medicine, 458
Cancer of stomach, 294
Carbon monoxide poisoning, chronic, 675
Cardiospasm, treatment of, 92
Carriers, chemotherapy in, 875

Annotations *(continued)*:
Casualties, proportion of fatal to total, 363
Cathode-ray therapy, 423
Chagas's disease, 563
Cheeses, chemistry of, 838
Chest surgery, pulmonary ventilation and anaesthesia in, 390
Child in the family, 126
Circulation, peripheral, measurement of, 839
Cirrhosis of liver, experimental, 600
Coma, post-hypoglycaemic, 601
Committee on war wounds, 127
Concussion, physiology of, 563
Convalescent, care of, 293
Crymotherapy, general, 528
Diabetic block at King's College Hospital, 363
Diet in Scotland, 19
Doctors, Canadian and U.S.A., temporary registration of, 425
Dominion hospitality for doctor's children, 21, 61
Drug industry, British, rationalization of, 875
—— traffic in Egypt, 21
Educational Number in abeyance, 92
Electro-encephalography and inheritance of epilepsy, 530
Encephalitis in U.S.S.R., 793
Enteritis, regional, 21
Evacuation: Young visitors, 264
Factories: Hours of work in, 19—Lighting in, 264, 750
Fat, 89
Felty's syndrome, 636
Fever, cerebrospinal, 634
—— rheumatic: Chemoprophylaxis of, 232—Bacteriology of, 750
—— scarlet, trypanocidal substances in serum in, 391
Flocculation test, rapid spinal fluid, 870
Fractures, compound, 455
Fund, Medical War Relief, 422
General paralysis of insane, rickettsia in treatment of, 198
Genital infection, two forms of, 497
German medicine, race, and religion, 230
Gill, Eric, and *British Medical Journal*, 751
Hair: anti-grey-hair factor, 425
Health Ministry, changes at, 676
—— services: socialist criticism, 196
Heart, nerve endings in, 126
Hepatitis, infective, 197
Herbs, medicinal, cultivation of, 326
Hospitals, provincial realization of, 61
Hurst, Sir Arthur: author and editor, 529
Hypertrophy, idiopathic right ventricular, 793
Indexes, half-yearly, 92
Industrial welfare, 160
Insect bites, 391
Insulin for insanity in wartime, 126
Iridocyclitis and tuberculosis, 562
Keratitis, vitamin B_2 in, 294
Lactation, hormone control of, 59
Liver: Function tests, 791—In pancreatic disease, 876
London school child, health of, 232
Malaria: In drug addicts, 562—Control of, 674—On Burma Road, 711
Measles, vaccine for, 637
Meningitis, meningococcal, sulphonamides and immune serum for, 197
Mental hospital, international, in Syria, 637
—— welfare during wartime, 162
Methaemalbumin and elimination of extracorpuscular haemoglobin, 229
Milk: Is goat's milk safe? 326—In wartime, 710
Mind, child's, effect of chronic disease on, 792
Mouth and throat, epithelial lesions in, 262
Nurses, Queen's, work of, 425
Nutrition survey, 231
Ocular war injuries, German experiences in, 528
Optic atrophy, nutritional disturbances and, 530
Otosclerosis, 292
Pantothenic acid: Chick anti-dermatitis factor, 230—And necrosis of adrenals, 601
Paper shortage, 61
Parathyroid function, new conception of, 59
Pasteurization and phosphatase test, 363
Peckham Health Centre: Experiment stands over, 60
Poliomyelitis virus in stools and sewage, 711
Premature infant, 496
Prostigmin and ureteral calculi, 90
Protein in Berlin, 161
Psychoneurosis, vegetative nervous system in, 127
Puerperal mortality, factors in, 912
Rabbit's ears, 528
Radiation reaction in lung, 264
Radiotherapy: Of carcinoma of cervix, 456—Rhythm in, 496
R.A.M.C. in Northern Ireland, 392
Rehabilitation after industrial accidents, 361
Respiratory infections, immunization against, 711
Retinitis pigmentosa, pathogenesis of, 361
Reynolds, Sir Joshua, eye affection of, 564
Rheumatism, acute, in Australia, 635
—— juvenile, in Dublin, 60
Rhythm, chemical control of, 91
Rickets: Cereals and, 292—Calcium and phosphorus in development of, 839
Rorschach test, 600
Scabies, treatment of, 231
School children, meals and milk for, 458
Science in war effort, 496
Sensation, anatomy of, 458

Annotations *(continued)*:
Serum, normal, bactericidal action of, 599
Sinus, nasal, surgery of, 198
Skin, absorptivity of, 20
Sleep and hypnosis, cerebral circulation in, 562
Snake bites, 424
Soap, 327
Spinal column, degenerative lesions of, 635
Spirography in pulmonary disease, 423
Stomatitis in children, treatment of, 838
Streptococci, haemolytic, of various groups, infection with, 325
Sulphapyridine by injection, 263
Sulphonamides, toxic manifestations of, 710
Syphilis, massive arsenotherapy in, 911
Tissue grafting, some problems of, 422
Tropical diseases, control of, 390
Tuberculosis: In general hospitals, 326—Work in India, 327—Case-findings by mass surveys, 389—In young women, 564
—— pulmonary, in Denmark, 161
Tuberculous cavities, transpleural aspiration of, 636
Tumour grafts, inheritance of acquired resistance to, 231
Tumour of optic nerve and Recklinghausen's disease, 839
—— virus, in animals, 265
United States of America: Misapprehensions in, 529—Medical preparedness of, 637
Vegetables, fresh, in hospitals, 198
Veins, dilated, infra-red photography of, 392
Venereal disease in naval forces, 563
Viruses and mice, 362
Vitamin content of food, 456
—— B_1: And post-diphtheritic neuritis, 325—In Chinese nutrition, 424
—— C in fruit skins, 424
—— E and muscular dystrophy, 263
—— L complex, 196
—— P in purpura, 751
War surgery: Information wanted, 196, 675
Wound infection, primer on, 676
X-ray apparatus, gifts of, 127

Anodyne for child casualties, 87
Anoxaemia in gas-and-oxygen anaesthesia, 31
Anthiomaline in bilharziasis, 918
Anthony, Maj.-Gen. Richard William, obituary notice of, 342
Anthracite dust, absorption of early products of bovine tubercle by (S. L. Cummins), 623 (O)
Antiseptics in wartime surgery, 715
Anus: illuminated speculum, 157
Appendicectomy, constipation following, 729, 817
Appendicitis: Cause of, 162, 267, 367, 505, 612—Treatment of, 687, 806
—— acute, in baby, 72, 212
APPERLY, Raymond E.: Nurse anaesthetists, 504
Apples, detoxication of lead by (leading article), 835; correspondence on, 884, 918
ARCHDALL, Mervyn: Greetings to *B.M.J.*, 464
Argentine: Academy of Surgery, 36—Diphtheria immunization and Credé's method compulsory in Buenos Aires, 242—Sanitary problem, 370—Deaths in Buenos Aires, 403—Oxford hon. doctorate conferred, 475—No. of doctors in, 697—Society of Medical Psychology and Psychoanalysis established, 889—Cancer institute at Cordoba, 923
Argyle, Hon. Sir Stanley, obituary notice of, 813
Argyria, review of book on, 119
ARIS, Nora: *Parents and Children*, 871
Armour for protection of soldier, 26, 29, 100, 132, 175—Bullet-deflecting breastplate, 476
Army. *See* Services
ARNOW, J. Earle: *Introduction to Physiological and Pathological Chemistry*, 786
Arsenotherapy in syphilis, 911
Arteries: Large, maintaining circulation after injuries to (G. Murray and J. M. James), 6 (O)—Pressure points of, 572, 647
Arthritis, chronic: Review of book on, 288—Nomenclature of, 854
—— gonococcal (A. Stern), 117
—— pneumococcal, complicating lobar pneumonia, sulphapyridine in (S. Instone), 523
—— rheumatoid: Scleral abscesses in, 61—Gold therapy in (P. Ellman and others), 314 (O)—Felty's syndrome, 636—Vitamins in, 876
—— *See also* Rheumatism
Artificial limbs after amputation, 580
—— respiration: Schäfer method, 234—Annotation on, 910
Asepsis, surgical, new phase in (leading article), 908
ASHDOWN, A. Millicent: *Elementary Practice of Nursing*, 906
ASHER, Cécile: Personal environment and enuresis, 206—National dried milk, 722
ASHMORE, Paul M.: "Only functional," 306
ASLETT, E.: Large scale *x*-ray examinations, 723
ASPIN, John: Medical board deceived, 470—Arrested tuberculosis and military service, 608
Aspiration, transpleural, of tuberculous cavities, 636
Association, American Laryngological: President elected, 403
—— —— Medical: President elected, 728
—— —— Psychiatric: President elected, 889
—— —— Surgical: President elected, 370
—— of Anaesthetists: Nurse anaesthetists, 297
—— Argentine Medical: President elected, 370
—— British Hospitals: Fracture clinics, 64

ASSOCIATION, BRITISH MEDICAL:
Alleged discrimination against non-members, 770
Calcutta Branch: Stilboestrol, 121
Committee, Central Medical War, 727
Diet booklet and safe milk, 28, 99

Association, British Orthopaedic: Rehabilitation, massage, and passive movement, 608
—— Canadian Medical: Maternity report, 57—President elected, 889
—— —— Public Health: Hon. fellowship conferred, 654
—— Central, of Mental Welfare: Annual report, 162
—— Grenfell: Christmas cards, 582
—— Mental Hospitals: Annual report, 268
—— for Research in Nervous and Mental Disease: *Proceedings*, 258
—— Royal Medico-Psychological: Infective processes and mental illness, 165
—— Socialist Medical: Blood transfusion service, 335—Glasgow branch of, 344
—— Tuberculosis, of India: Report, 327
Asthma: In childhood (M. B. Hall), 110 (O)—Electrophoresis of adrenaline in, 293, 337, 684, 807, 882
Asthmatics, gas masks for, 142, 178
ASTON, Geo. S.: Haematuria after streptococcal infection, 367—Effect of urethral obstruction on kidney, 722
Ataxia, hereditary, and spastic paraplegia, 160
Atebrin in ships, 727
ATKINSON, E. C.: Nurse anaesthetists, 429
Atresia, congenital, of oesophagus (M. I. Ealing), 83 (O)
Atropine poisoning (A. B. Carter), 664 (O)
AULD, A. G.: Pathogenesis of non-pulmonary tuberculosis, 808—Ergometrine in migraine, 849

AUSTRALIA:
Acute rheumatism in, 635
Ambulances, gifts of, 243, 476
Blood transfusion scheme in N.S.W., 904
Hospitality for doctors' children, 21, 61
Queensland: Report of Nutrition Council, 242
Heat wave in, 889
Refugee problem, 797
Service appointments, 140, 654
Supply of practitioners in, 797
Women doctors and Services, 512

Austria: Jews in Vienna, 728
AXON, Ernest: Old physicians of Buxton, 233

Potatoes, in public assistance institutions, 690
Psychiatrists, treatment by, 690
Public health in wartime, 578
Purchase Tax: Medicines and, 70, 139, 241, 271, 579—On drugs and appliances, 210, 815—Newspapers exempt from, 241—On filament lamps, 852
Rating of St. Marylebone, 104
Refugees, medical care of, 35
Rehabilitation of war casualties, 580, 815
Services: Women M.O., 36—Physical fitness in R.A.M.C., 36—Medical Boards, 175, 852—Rank in R.A.M.C., 175—Convalescent treatment after discharge, 175—Chiropodists, 176—Blindness in, 176—Retired R.A.M.C. officers, 272—Temporary medical officers, R.N., 370—Ship surgeons and war risk, 370—Feeding of A.T.S., 403—Enteric fevers in Army, 403—*X*-ray facilities in Naval hospitals, 403—Ear protection of naval personnel, 403—Increased allowances for families, 543—Mental health of recruits, 617—Army inoculation against tetanus and typhoid, 689, 815—Calling up of doctors, 814—Inoculation and vaccination in R.A.F., 815—Physiotherapy in Army, 887—Pay of women in R.A.M.C., 887—Voluntary inoculation in Army, 922
Shelters: Births in, 104—Gas curtains in, 139—And public health, 510, 542, 580—Sick bays in, 617—Lord Horder's committee, 689, 768, 922—Pastilles for shelterers, 690—Health commissioner urged, 814—Departmental responsibility for, 815—Medical attendance at, 851—Heating of, 887—Medicines and tablets in, 887—Conditions in, 921
Tannic acid for burns, 814
Tetanus inoculation against: In Army, 689—For public, 690
Travel permits for doctors, 104
Tuberculin testing in cattle, 271
Tuberculosis in Scotland, 580
Tyneside, social services on, 543
Typhoid prophylaxis: For public, 104, 690—In Army, 689
Visors, 175, 271
War: E.M.S., 139, 210—Doctors' posts in invasion, 139—Mobile surgical units, 271—E.M.S. hospitals' executive officers, 770, 815—Psychiatric treatment at hospitals, 815—War Damage Bill, 887, 921
Workmen's compensation: Increase in, 139—For Byssinosis, 272, 690, 727, 769
Wounded, rehabilitation of, 210
X-ray facilities in Naval hospitals, 403
Youths, night employment of, 690

Parotid gland, benign cyst of (M. G. Kini), 415 (O)
Parry-Jones, Maurice, obituary notice of, 850
PARSONS, F. B.: Nurse anaesthetists, 429
—— Sir John: Geniculate body and colour vision, 574
PARSONS-SMITH, Basil: Pulmonary embolism and infarction, 179 (O)
PASK, E. A.: Cyanosis and anoxaemia in gas-and-oxygen anaesthesia, 31; correction, 68—Ether convulsions, 337
PASSE, E. R. Garnett: Gun-fire deafness, 295; correspondence on, 395
Pasteurization and phosphatase test, 363
PATERSON, D. H. (and A. J. WALKER): Sulphathiazole in osteomyelitis and pericarditis, 449
—— Robert, obituary notice of, 173
Pathology: Review of books on, 287, 451—And medicine, stray thoughts on, 606
PAUL, Milroy: New and simpler tourniquet, 706
PAYNE, Reginald T.: Gastric disorders in the Services, 29—Cancer of stomach, 294—Questions about drowning, 477—Débridement, 503—Allen doctors in Great Britain, 613—(And C. NEWMAN): Dyspepsia in Army, 819 (O); leading article on, 836; correspondence on, 915
PEACOCK, H. Alan: *Elementary Microtechnique*, 492
PEARCE, Evelyn: *Fevers and Fever Nursing*, 4th ed. 745
Peckham Health Centre: Experiment stands over, 60
Pediculosis in evacuated children (leading article), 494
Peck, Martin William, death of, 434
PEGGE, George: Psychiatric casualties in London, 553 (O); correspondence on, 645, 761
PEIPER, A.: Premature infant, 496
Pellow, John Edwards, obituary notice of, 368
PELTIER, George L. (and others): *Laboratory Manual for General Bacteriology*, 2nd ed., 192
Pelvis, female, review of book on, 419
PEMBERTON, John: Rapid test for vitamin C reserves, 217 (O)
PENFIELD, Wilder: Amnioplastin—warning, 668
Penicillin, 7[illegible]5
PENNELL, Alice M.: Protection against heat- and sun-stroke, 656
—— Vernon (and L. C. MARTIN): Removal of teratomatous "twin," 414 (O)
Pensions Ministry: Medical services, 35—Physiotherapy in hospitals, 36—Appointment, 475
Pentothal sodium: Repeated administration of (R. M. Davies), 450; correspondence on, 611, 692—Used in conjunction with sulphapyridine (E. J. R. Smith), 488 (O)
Pericarditis and osteomyelitis, sulphathiazole in, 449
Perineum, penetrating bayonet wound of (J. S. Horn), 700 (O)
Periodicity: Sun-spots, influenza, and cancer, 339, 808—Review of book on, 906
Peritonitis, bile, rapid death in (D. M. Douglas and G. G. Turner), 280 (O); correspondence on, 396, 472
—— biliary, case of (I. Lewis), 384
—— encapsulating, reversed rotation of intestine accompanied by (J. W. G. Grant), 783 (O)
—— general, chest signs in, 772
PERRY, H. Marrian: Prevention of tetanus, 364
Personal Injuries (Emergency Provisions) Act, 580
Personality, review of book on, 418
PETERS, Ronald: Precipitation of tetany by calcium, 384
Pharmacology, review of books on, 289, 322, 452
Phenacetin, sulphaemoglobinaemia after (R. V. Coxon and J. P. Crawford), 556
Phenobarbitone: And bromide tabloids, 322—For injection, 525
Phosphatase test and pasteurization, 363
Phosphorus: Blood, and juvenile rheumatism, 792—In development of rickets, 839
Photography, infra-red, of dilated veins, 392
Physical training: Compulsory, 138—Centres for, 242, 305, 922—For youth, 305, 579—Leading article on 324; correspondence on, 469, 536, 684—Note on, 566—Pamphlets on, 728
Physiology: Review of books on, 56, 287, 786—And clinical medicine (D. H. K. Lee and others), 328
Physiotherapy: In Ministry of Pensions hospitals, 36—For workers, 36—Restrictions on apparatus, 572, 723, 808—In A.M.S., 887
Phytin and rickets, 292
PICKEN, Ralph M. F.: B.M.A. diet booklet and safe milk, 28
PICKLES, W. N.: Influenza epidemics, 803
PICTON, Lionel Jas.: Health and soil, 128; correspondence on, 166, 207, 236
PILCHER, Robin: Wounds from bomb fragments, 131—(And others): Hospital infection of war wounds, 855 (O), 895 (O); leading article on, 908
PILLSBURY, D. M. (and W. R. HILL): *Argyria: Pharmacology of Silver*, 119
PINES, N.: Dye treatment of blepharitis, 372—Observations on effort syndrome, 924
PINNOCK, D. Denham: Closed treatment of wounds, 917
Pituitary: And cancer, 133—And brain (leading article), 909
Plasma: Dried, 27—As substitute for blood (C. H. Best and D. Y. Solandt), 116 (O)—In experimental haemorrhage (C. H. Best and others), 248 (O)—Concentration and drying of (F. X. Aylward and others), 583 (O)—For burn shock (D. A. K. Black), 693 (O); correspondence on, 846. *See also* Blood *and* Sera
Plaster cast: Walking, 87, 205—Removal of, 244, 344, 656
—— closed: Technique for infected fractures and war wounds, 648, 687, 764—Treatment of wounds, 800, 849, 917—Reprint of note by E. W. H. Groves, 840
Plastic surgery, review of book on, 869
PLATT, Geoffrey: Blood-stained semen, 730
—— Kate Anne, obituary notice of, 651
Pneumonia: Treatment of (leading article), 633; correspondence on, 761—Bronchopneumonia under age of 1 (A. M. Gill), 900 (O)
—— lipoid (S. A. Propert), 282 (O)
—— lobar, staphylococci in, 399, 472
—— oil aspiration, 539
—— phrenico-costal sinus (G. R. Osborn), 317 (O)
Pneumothorax, extrapleural, thoracoscopy of (R. J. C. Maxwell), 107 (O)
—— spontaneous: Simulating coronary disease, (G. Bourne), 313 (O)—During pregnancy (G. McLintock), 785

Poisoning: Carbon monoxide, ginger-pop for, 72—Case of lysol, 142—Chronic acetanilide (T. N. Morgan and A. G. Anderson), 187 (O)—Chronic benzene (leading article), 388—Atropine (A. B. Carter), 664 (O)—Chronic carbon monoxide, 675
Poisons, review of book on, 192
—— (Amendment) (No. 2) Rules, 403
Poland: Typhoid fever in Warsaw, 36—Centre for trachoma, 923
Poliomyelitis: New light on (leading article), 123—Record of outbreak, 182—Review of book on, 670—Virus in stools and sewage, 711
Polycythaemia and vitamin C (J. Deeny), 864 (O)
POOLE, H. W.: Shock of ambulance journey, 719
Portugal: Anti-diabetic institute founded, 476
Potassium salts, toxicity of (leading article), 89; correspondence on, 170, 238, 300
Potato: In public assistance institutions, 690—As wartime food, 717
POTTER, Bernard E.: Hand-seats for casualties, 168
—— Edith L. (and F. L. ADAIR): *Fetal and Neonatal Death*, 419
Potts, Lieut. Thomas Henry Ingram, death of, 137
Pounds, Gordon Christopher, obituary notice of, 32
POWER, Sir D'Arcy: *B.M.J.* and the profession, 437—85th birthday of, 690
PRATT, E. F.: First-aid lectures, 267—Treatment of burns, 917
—— Freda B.: Dosage of barbiturate anaesthetics, 395—Nurse anaesthetists, 538
Pregnancy: Dental disease in, 268, 338—Combined extra- and intra-uterine (J. Herring and A. Lesslie), 417—Diagnostic value of pregnandiol excretion in (C. L. Cope), 545 (O); leading article on, 561; correspondence on, 804—Spontaneous pneumothorax during (G. McLintock), 785—Cancer of cervix and, 845—Tuberculosis in, 880
—— quintuple, case of, 38
Pregnandiol excretion, diagnostic value of (C. L. Cope), 545 (O); leading article on, 561; correspondence on, 648, 804
Prematurity, papers on, 496
PRENTICE, George: Ingrowing toenail, 274

Preparations and Appliances:

Alopon and scopolamine solution, 87
Aminophyline, 56
Anaesthetic airway, 907
Bromethol, 157
Cabinet for anti-tetanic injections, 359
Cage for shock resuscitation, 871
Calliper, improved walking, 452
Carbachol, 193, 558
Carbon dioxide, simplified by-pass control for, 746
Cartilage, semilunar, removal of, by snare, 322
Complevite, 257
Corvotone, 193
Dark-adaptation tester, Crookes's, 631
Diphenylhydantoin sodium, 492
Ears, protection of: Ear-pax plugs, 452—Sound deadener, 452—Aurax protectors, 452
Femur, factured, B.R.I. bar for, 56
Flowmeter, readily made, 787
Hexobarbitone soluble, 193
Hexoestrol, 259
Hypoloid digoxin, 525
Insulin, delay, 631
Isoflav tablets, 387
Kramsol, 492
Lamp, shadowless, with universal range, 322
Leucocyte counter, home-made differential, 193
Magsorbent with atropine, 120
Mandible, appliance for difficult fractures of, 16
Mersalyl, sterilized solution of, 387
Methedrine, 193
Needle holder and suture cutter, combined, 227
Nikethamide, sterilized solution of, 387
Oxygen therapy improvised apparatus for, 387
Phenobarbitone: And bromide tabloids, 322—For injection, 525
Plaster cast, walking, 87
Retractor, simple thigh amputation, 289
Skin graft spreading shovel, 671
Speculum, illuminated anal, 157
Splint, Thomas: Extension in first aid, 157—Improved extension appliance for, 834
Sterilization of instruments, 492
Streptocide ointment (ophthalmic), 359
Stretcher slings, unorthodox use of, 120
Sulphanilamide powder for wounds, 671
Syringe for injecting viscous fluids, 420
Tourniquet, new and simpler, 706
Vaporizer, Burgess electric, 289
Walking-irons, inexpensive, 596
X-ray apparatus, new portable, 227

Pressure points of arteries, 572, 64
—— sores, treatment of, 772, 854
PRÉVOT, André: *Manuel de Classification et de Détermination des Bactéries Anaérobies*, 259
PRICE, C. W. R.: Retroperitoneal haemorrhage from angioma of kidney, 831
—— F. N. R.: Useful emergency appliance, 436
—— Margaret R.: Vitamin B_1 supplement and growth of infants, 81 (O)
